# Police gather details of 'rioters' properties

**HT Correspondent** 

**DEHRADUN/HALDWANI: Nainital** Police was gathering property details of the "rioters" arrested and identified so far in connection with the Haldwani violence, a senior police officer said.

Nainital senior superintendent of police (SSP) Prahlad Naravan Meena confirmed the development and said, "We are gathering the property details of the rioters arrested and identified for Haldwani violence as we have been exploring legal options to tighten the noose around the accused.

The SSP on February 9 had made a statement that the action by the police against "rioters" in the Haldwani violence will set a precedent that no one tries to challenge the state, district administration and government officials in the future.

He said they have so far arrested 37 accused, including the one who was arrested on Tuesday, and suggested that the number will rise eventually as they identify rioters involved in arson and vandalism.

The SSP further added that their efforts are underway to arrest the suspected conspirator of the violence, Abdul Malik, who was the occupant of the controversial land, and teams have been dispatched to different parts of the state and country to arrest him.

Non bailable warrants (NBWs) have been issued against 9 accused, including Abdul

# Cabinet gives nod to holding budget session in Dehradun

HT Correspondent

etters@hindustantimes.com

**DEHRADUN:** The upcoming Budget session will take place in Dehradun instead of Gairsain, the state's summer capital, the state cabinet decided on Wednesday.

The cabinet's decision came after a delegation of MLAs from all parties requested assembly speaker Ritu Khanduri Bhushan and chief minister Pushkar Singh Dhami to not hold the upcoming session in Gairsain citing "extreme cold weather conditions" in the summer capi-

The cabinet authorised CM Dhami to finalise dates for the session, Uttarakhand chief secretary Radha Raturi said while addressing a press conference after the conclusion of the cabinet meeting.

The then state government on March 4, 2020, had declared Bhararisain, Gairsain as the summer capital of the state. The Vidhan Sabha complex in Bhararisain spans 47 acres and is situated at an elevation of 2,380

a cold destination year-round. During sessions, personnel including officers and staff from both the Vidhan Sabha and Secretariat in Dehradun undertake a 10-hour journey to reach the location, and return to the state capital after the conclusion of proceedings. Holding the budget in Gairsain holds political significance as the Opposition Congress has been lashing at the state government for ignoring the summer capital and has been raising the issue both inside and outside the state assembly in the last few years. In 2022, senior Congress leader and former CM Harish Rawat along with other Congress leaders and party workers had also staged a protest in Gairsain, alleging that the state government is ignoring the summer capital.

The cabinet also approved the new excise policy with a target to collect ₹4440 crore in revenue, a iump of ₹440 crore from the target fixed in the last fiscal year.

The new excise policy has made a provision for establishment of micro-distillation units

to encourage innovation and investment in hilly areas, said officials familiar with the developments in the cabinet.

The new policy also envisages the promotion of the production of high-quality liquor in the distilleries operated in Uttarakhand, which will increase the revenue and also ensure the use of plants and herbs growing in abundance in the state. For the first time, provisions have been made for the bottling of foreign

liquor in the state to increase revenue and promote investment. A provision has also been made for the sale of liquor in malls and departmental stores in the hilly districts, with shops required to have 400 square feet

The cabinet also approved a proposal that the expenses incurred on the treatment of the retired employees of the state government and their dependents will be reimbursed. Those

who have excluded themselves from the Golden Card will get this facility.

The cabinet also approved creation of 41 posts in Uttarakhand Language Institute, amendment in the organisational structure of SETU (State Institute for Empowering and Transforming Uttarakhand). The state government had introduced SETU in July last year to replace it with the state planning commission on the lines of NITI Ayog. The cabinet also passed a proposal for exemption of printing of the report submitted by the five-member committee on the Uniform Civil Code (UCC) from Government e-Marketplace (GeM).

The cabinet also passed an amendment in the structure of posts of X-ray technicians in Medical Health and Medical Education. "Industrial training institutes (ITI) students will get uniforms and for the same, they will receive an amount in their accounts through director benefit transfer (DBT)," said state administrative chief Radha

# Scindia inaugurates airport terminal building in Doon

HT Correspondent

**DEHRADUN:** Union minister for civil aviation Jyotiraditya Scindia on Wednesday virtually inaugurated the newly-constructed terminal building (Phase-2) at Jolly Grant Airport in Dehradun, even as chief minister Pushkar Singh Dhami joined the event from the airport site.

Scindia said that for him this moment is an emotional and important from many aspects". He said that he already has a connection with Uttarakhand. He said he received education from Uttarakhand for five years.

"The spiritual power of entire world. After becoming the Union civil aviation minister, along with chief minister Pushkar Singh Dhami, I first got the opportunity to inaugurate the work of the first phase of the terminal of Jolly Grant Airport. Today, air services are running from this airport of Dehradun to 13 cities of the country," he said.

He said that initiative has been taken to develop three airports in Uttarakhand- Dehradun, Pantnagar and Pithoragarh. He said that there was only one heliport in Uttarakhand in 2014, which has now risen to 10.

Dhami in his address said the terminal building was constructed in two phases at a cost of ₹486 crore over 42,000 square metres.

Dhami said in the second phase, the terminal of Jolly Grant Airport has been expanded by 14,000 square metres. "Now the total expansion of the airport terminal has

been done over 42,000 square metres'

Dhami, expressing his gratitude to Jvotiraditya Scindia, said that under his leadership, work is being done at a rapid pace in the field of civil avia-

He also expressed his gratitude to the Union minister for starting the process of Pithoragarh-Hindon air service on his request and starting the operation of helicopter service for emergency medical service from Uttarakhand.

"At present the Indian civil aviation industry ranks third in domestic traffic after America and China. Air services have expanded rapidly under the leadership of Prime Minister Modi. In the last few years, air travel has become very popular among the people due to it being a cheap, fast and reliable means of transportation. This has been possible only because of the long-term thinking of the PM," he said.

Dhami said Civil Aviation Department of the state is making efforts to provide cheap air services to the people from outside the state as per the Indian culture and tradition.

"Better air service is being provided by Centre in various

remote areas of the state. Presently, under Central scheme, 13 heliports are being constructed in Sahastradhara. Chinyalisaur, Gauchar, Haldwani, Nainital, Almora, New Tehri, Srinagar, Mussoorie. Joshimath, Dharchula, Harid

Dhami said that continuous efforts are being made to make Jolly Grant Airport of international standards. "Only last month, air service was started between Jolly Grant and Pithoragarh. Heli service was started from Jolly Grant Airport between Dehradun-Almora-Pi thoragarh. We are also working on including small aircraft services from Chinyalisaur and Gauchar in the near future".

## 183 govt schools closed due to lack of students

**HT Correspondent** 

PITHORAGARH: Around 183 government schools have been the last three years due to hill migration resulting in lack of students in villages, chief education officer (CEO) Pithoragarh district Ashok Kumar Jukaria said on Wednesday

"Besides closure of these 158 primary and 25 junior schools, we have a total 120 schools in the district with just one teacher who caters to the classes from class 1 to 8th," said Jukaria.

"Furthermore, the district has over 445 primary and 20 junior high schools which have only one student there," the officer added. According to the chief educa-

tion officer, this situation has arisen due to migration from villages to nearby towns or metros in search of good education and

tuted the rural development and migration commission in August 2017 to examine all aspects of the problem, evolve a vision for the focused develop ment of the rural areas and sub mit recommendations to the government on how to reduce migration. The commission had submitted its first statewide report on migration in 2018.

According to the interim sec ond statewide report prepared by the commission in March last year, permanent migration in the last five years (between 2018 and 2022) has come down signif icantly, while temporary migration has increased. The survey covered 7,759 gram panchayats in 95 blocks across 13 districts of the state. Over 118,000 people permanently migrated from their native places in all 13 districts between 2011 and 2018 at an average of 16,857 per year. In comparison, 28,531 people migrated from their villages between 2018 and 2022 at an average of 7,132 per year.

### { IFS OFFICER CASE }

### CIC tells PMO to hold 'appropriate hearing'

**HT Correspondent** letters@hindustantimes.com

**DEHRADUN:** Central informa-

tion commission (CIC) has directed Prime Minister's Office (PMO) to conduct "fair and proper hearing" of the case of Indian Forest Service (IFS) officer Sanjiv Chaturvedi. The Commission has further directed the First Appellate Authority in PMO to give "due opportunity" to the officer for "proper adjudication" and to pass a "reasoned, speaking

order" Sanjiv Chaturvedi was posted as Chief Vigilance Officer (CVO) at AIIMS, Delhi, from 2012 to 2014 and had taken action in many corruption cases. Presently he is posted as Chief Conservator of Forests, in Uttarakhand.

CIC in its judgement, passed on February 12 has given time of 30 days for compliance of its orders from the date of receipt.

The matter pertains to an RTI application filed by Sanjiv Chaturvedi in September 2022, in which he had sought a copy of the file notings and other documents from PMO, regarding action taken on his letter dated September 26 2014, to Prime Minister about the role JP Nadda, in the episode of corruption cases of AIIMS. Delhi. "including numerous letters written by him for putting on hold all the enquiries into corruption/ other cases and his repeated insistence regarding removal of CVO. AIIMS"

Chief Information Commissioner Heeralal Samariya while disposing of the appeal, in his February 12 order stated "In view of the proceedings during hearing and submissions made by the parties, Commission finds it just and reasonable, in accordance with principle of natural justice, that a fair and proper hearing is conducted"

# Portals of Badrinath shrine to be opened on May 12, says BKTC

**HT Correspondent** 

**MUSSOORIE:** The portals of Badrinath Dham will be opened at 6am on May 12 this year, Badrinath Kedarnath Temple Committee (BKTC) officials said on Wednesday.

The announcement was made after following Panchang (Almanac) calculations in a religious ceremony

Harish Gaur, BKTC media in-charge said, "After the announcement of portal opening for the Badrinath shrine, the date of Tel-Kalash Yatra was also fixed on 25th April".

Ajendra Ajay, BKTC president said, "The oil prepared from sesame seeds will be extracted on April 25 at the Royal palace which will be offered at Badrinath shrine on May 12."

Badrinath and Kedarnath along with Yamunotri and Gangotri, collectively called Char

were closed on November 18 last year. Dham, attract millions of pil-

grims each year. Char Dham shrines remain shut for around six months every year, opening in summer (April or May) and closing with the onset of winter (October or November). Char Dham yatra broke all-

time record last year with pilgrim influx crossing 5.6 million
